As President of the Oro Agricultural Society, and on behalf of the Directors and Committee Members, it is my pleasure to present the Program and Official Price List for the 171st Annual ORO WORLD'S FAIR, being held on September 12 & 13, 2025.

ORO WORLD'S FAIR is a very special event to many in our community. Our primary goal is the education about agriculture and rural life, but we also want to entertain you and have fun! Their generosity is greatly beneficial to the Oro Agricultural Society.

I welcome you to this year's 171st ORO WORLD'S FAIR and hope you will make memories that will last a lifetime.

Enjoy your visit to the Oro World's Fair!
171 YEARS OF ORO FAIR – 1852 – 2025

The First Oro Fair was held at Rix's Tavern at the NW corner lot 15, Con 1. It was held in different taverns before settling at the township hall in 1869. In 1868 the Council acquired land, and the Township hall was built on the present location. Membership fees, a small legislative grant, plus the odd donation financed the Agricultural Society. In 1877, looking for new areas of revenue they placed a collection box at the gate and by sunset it contained the sum of \$2.25. This was the forerunner of the first admission fee that increased to \$61.75 by 1884. In 1886 the directors decided to omit the prize for the best yoke of oxen and add more horse prizes, marking the end of another era. In 1914 they decided to build a new building to display the fruits that were the product of the early pioneer orchards and grain from the fields of Oro. The shed 20' x 40' was built east of the hall, when the old shed, built in 1868 was torn down. This building was also used for the school fair, and in 1954 was moved to its present location at the north of the grounds and an annex of the same size added to the west end. In 1920 an open horse shed 16' x 100' was built near the centre of the race track and provided much needed protection for the horses on hot or rainy days. Needing repairs, it was removed in 1966. The Oro School Fair, sponsored by the Department of Agriculture, began as a separate event in 1915 and continued until 1939, when it was withdrawn. In 1948 it started in conjunction with the Oro Fair on the same day and has continued until the present, adding much to the senior fair. In 1962 a shed was purchased and rebuilt on land acquired by the society from the Proper farm at the north of the grounds, and a lean-to added.

1952 the 100th anniversary of Oro Fair was duly celebrated when the Hon. Leslie Frost, then Premier of Ontario, led a procession of many floats depicting the past, to officially open the 100th Oro Fair.

In the early years, the Tug-of-war teams and the oxen pulling competition provided much entertainment and competition. This gradually died out, and in the past few years we have the Tractor Pull, which has provided a new interest.

In 1974 the one-day midweek fair changed to a two-day weekend event. The beef draw also started. In 1978 harness racing discontinued, and we now have the Tractor Pull, Demolition Derby, ATV Pull and still have the talent show.

In 1998, 13.9 acres was purchased from an adjoining property, which is used for parking and expanding the fair. Prior to that, two new display buildings were erected. In 2009 a new Food booth and Secretary-Treasurer office were added. In 2017 the Tractor Pull will celebrate its 25th anniversary. The pull has quickly become a highlight of the fair, and is extremely well known throughout the area. With the fair continuing to grow in popularity, the new Community Building was constructed in 2019. An unprecedented global pandemic occurred in 2020 and 2021, making it impossible for the fair to operate during those two years or even host our annual events. u

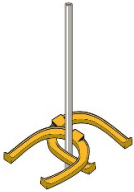

Many generations of families will undoubtedly gather to celebrate our rich history, reminisce about our past and look forward to our future.
