THE ORO SCHOOL FAIR is a Township Tradition that has been enjoyed by parents, students, and teachers for many years. Oro School Fair began as a separate event in 1915 sponsored by the Ministry of Agriculture. The Oro School Fair became a part of the Oro World's Fair in 1948. The School Fair is now funded by the Oro Agricultural Society. Many students of Oro-Medonte take advantage each year of this opportunity to be a part of our rural heritage and to acknowledge the importance of Agriculture in our lives. The relationship between the school and the community is an important one. This tradition serves to strengthen this bond and provides students with curriculum support in many areas of study.

CONTENTMENT

When spring arrives and lilacs blow
I'm not compelled to shovel snow.
In summer no one bothers me
To feed the fire, nor skate, nor ski.
In autumn no one longer needs
To waste the morning pulling weeds.
And winter brings no dewy dawn
When I must rise to mow the lawn.

So I am glad the seasons through
For what I do not have to do.

Arthur Guiterman
